RMPA

LETTER FROM THE PRESIDENT

Dear Rocky Mountain
Percussion Association,

It fills me with immense pride to witness the remarkable growth and dedication displayed by each of our ensembles this season. From the thunderous roar of our marching lines to the intricate melodies of our concert ensembles, the collective progress is truly inspiring. The passion and commitment you all bring to your craft not only elevates the standard of percussion performance in our region but also creates a vibrant and supportive community.

Lauren Maxwell

President, Board of Directors

The sheer diversity and skill showcased in our recent events serve as a testament to the hard work of our students, educators, and supporters. We celebrate every crescendo, every perfectly executed rudiment, and every moment of shared musical experience. Your dedication is the heartbeat of the Rocky Mountain Percussion Association, and we look forward to continuing this journey of musical excellence together.

Finally, a heartfelt thank you to the tireless volunteers, dedicated staff, committed members of our Board of Directors, and the incredibly supportive parents and fans. Your unwavering support provides the essential foundation that allows our students to thrive and pursue their musical passions. Without your countless hours of service, encouragement, and logistical assistance, the success of our ensembles would simply not be possible. We are deeply grateful for your invaluable contributions to the Rocky Mountain Percussion Association.
