LETTER FROM THE PRESIDENT

On behalf of the Board of Directors, thank you so much for your support this season and thank you for joining us today for our 31st State Finals event as RMPA!

The Board of Directors would like to thank each and every one of you for your participation in the activity, whether that be as a performer, staff member, or a parent. Winter Percussion is a special activity that provides lifelong memories, and friendships to all who participate. We are so proud to be able to provide the opportunity for our performers and staff to have a place to perform, connect, educate, and grow as musicians and individuals.

As we reach the culmination of our 31st season please make sure to show your support for all of the incredible performances you will see here today. These performers, directors, and instructors have poured countless hours into what you are about to see - so please clap, scream, and get on your feet to reward all of their hard work!

Sincerely,

Lauren Maxwell
